

Project Checkpoint 2, Baseline Proxy

Ethan Tu, Nate Krinsky

What We've Done

Baseline Proxy

- Interfaces and implementations for:
 - Request parser
 - Response parser
 - Cache object
 - The cache itself
 - Message Handler
 - Server Handler
- Baseline unit tests
- Integration of modules into one file
- Connect support

Who Did What

Ethan

- Interfaces and implementations for:
 - Request parser
 - Response parser
 - Cache object
 - The cache itself
- Integration of modules into one file
- Connect support

Nate

- Interfaces and implementations for:
 - Message handler
 - Server Handler
- Baseline unit tests
- Integration of modules into one file
- Connect support
